**OFFICE OF PETITIONS**

In re Application of :  
Dennis William Mount :  
Application No. 10/030,027 :  
Filed: January 2, 2002 :  
Attorney Docket No. Chem Champ \*1 :

ON PETITION

This is a decision in response to the petition, filed April 21, 2006, to revive the above-identified application under the provisions of 37 CFR 1.137(b).

The petition is **DISMISSED**.

A grantable petition under 37 CFR 1.137(b)<sup>1</sup> must be accompanied by: (1) the required reply,<sup>2</sup> unless previously filed; (2) the petition fee as set forth in 37 CFR 1.17(m); (3) a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional; and (4) any terminal disclaimer (and fee as set forth in 37 CFR 1.20(d)) required by 37 CFR 1.137(c). Where there is a question as to whether either the abandonment or the delay in filing a petition under 37 CFR 1.137 was unintentional, the Commissioner may require additional information. See MPEP 711.03(c)(III)(C) and (D). The instant petition lacks item 1.

It is noted that an amendment was included with the petition filed on April 21, 2006. However, the amendment is considered non-responsive, since it did not place the application in condition for allowance. See the attached Advisory Action. The proposed reply required for consideration of a petition to revive this application must be a Notice of Appeal (and appeal fee required by 37 CFR 1.17(b)), an amendment that *prima facie* places the application in condition for allowance, or the filing of a submission under 37 CFR 114 (RCE) or a continuing application under 37 CFR 1.53(b). See MPEP 711.03(c)(III)(A)(2).

This decision is made without prejudice to reconsideration. However, any request for reconsideration must be submitted within TWO (2) MONTHS from the mail date of this decision. Extensions of time under 37 CFR 1.136(a) are permitted. The reconsideration request should include a cover letter entitled "Renewed Petition under 37 CFR 1.137(b)" and the required reply as noted above.

<sup>1</sup> As amended effective December 1, 1997. See Changes to Patent Practice and Procedure; Final Rule Notice, 62 Fed. Reg. 53131, 53194-95 (October 10, 1997), 1203 Off. Gaz. Pat. Office 63, 119-20 (October 21, 1997).

<sup>2</sup> In a nonprovisional application abandoned for failure to prosecute, the required reply may be met by the filing of a continuing application. In an application or patent, abandoned or lapsed for failure to pay the issue fee or any portion thereof, the required reply must be the payment of the issue fee or any outstanding balance thereof.

Further correspondence with respect to this matter should be addressed as follows:

By mail:            Mail Stop PETITION  
                          Commissioner for Patents  
                          Post Office Box 1450  
                          Alexandria, VA 22313-1450
